***\*"Share your Horse Stuff Grab Bag" - We all accumulate really good horse stuff that we end up barely using. Look at your collection and bring one horse-related item that you think another horse person might like to have. It could be anything from grooming supplies to boots to artwork, etc. Everyone who brings an item will draw a number and have the opportunity to select from the collection of horsey goodies! Remember one horseperson's junk could be another horseperson's special treasure!***
