

*Picnic Ride*  
*Putnam Park, Redding CT- May 6,2017*

*This is a destination ride. The ride starts at Shelby McChord's house. We ride to Putnam Park in Redding through Huntington State Park. Hot Dogs and Hamburgers will be served. The ride will return the same way home. It is a quiet ride with some quiet road work. You can tie your horse or hold your horse through lunch. There are rest rooms and picnic tables. This is not an exciting, fast paced ride. It is a fun thing to do and a good skills builder.*
